Report of School Board.

The School Board submits the following report for the year ending February 15, 1910.

East School.—Miss Florence Driscoll, of Boston, Mass., was engaged to teach the spring term. She was a college graduate, had some experience in teaching and came well recommended, but resigned after teaching two weeks. We were fortunate in securing the services of Mrs. Agnes M. Robinson, an experienced teacher of Amesbury, Mass., who taught the rest of the term, and it was regretted by us that her services could not be secured for the remainder of the year. The fall and winter terms were taught by Miss Georgia M. Connor, of Farmington, a college graduate. Her methods of teaching are excellent, and the school has made good progress in the past year.

South School.—This school was not opened at the beginning of the spring term, and the pupils were sent to the other schools. After two weeks' trial, it was thought best to reopen it with Mrs. Georgia S. Hodgdon as teacher. She taught the spring and winter terms, maintaining her former standing for superior work. At the fall term she was obliged to leave the school on account of sickness in her family, and Miss Irene J. Trefethen, of Hampton, was engaged as a substitute and taught through the term, proving herself an able teacher. This school shows good progress.

West School.—This school was taught by Miss Aberta C. Remick, of Amesbury, Mass., a graduate of the Newburyport Training School, who showed herself well fitted for her work, and as she taught for all three terms the school shows great improvement.

The Selectmen are hereby notified that there will be needed this year \$150 for High School tuition, and \$110 for text books and supplies.
